NOFER hygienic bag dispenser or equivalent, for wall or tabletop mounting, in chrome-plated ABS.

Dimensions (tabletop position): 28 H x 138 W x 100 D mm.

Cleaning

Daily cleaning is recommended and never less than once a week. Specific products for plastic surfaces should be used, preferably aqueous soap solutions. Always rinse with clean water after the application of soaps or any cleaning product . Dry the article thoroughly with special care in angles and joints, using soft non-abrasive cloths.

Avoid the use of products that tarnish the plastic by themselves or by the chemical vapors they may generate.
