Suggested text for prescription

NOFER liquid soap dispenser with push button activation, wall mounted, horizontal, made of stainless steel AISI 304 satin finish. Dimensions: 157 height x 178 width x 125 depth (mm). Capacity: 1.2 liters.

Components

- Safety filling at the top by means of a special key supplied.
- Push button made of plastic material.
- Vandal-resistant polycarbonate content.

Maintenance

Stainless steel requires maintenance as dirt over time can damage the chromium (Cr) contained in stainless steel. We recommend a monthly cleaning with a specialized product for stainless steel.
